Description

Lot #1-4586

Black & Chrome

What a tremendous female to open the auction with this week!! This black, chromed up baby doll is a beast! Check out the circumference of bone under this lady and her amazing thickness down her top line and the width she shows from stifle to stifle. I love her square, level pin set too! She's a deep bodied, deep flanked heifer that is cool fronted and loaded with style! Put this sound made lady to work for you raising show calves or excellent commercial offspring. She does get a little nervous when you have her cut out by herself and will work best with a group.
