Dream Girl

Pay attention right here! If you've been searching for that American dream girl to take your show calf offspring to the next level, this lady is the real deal!! She is loaded with that true, honest thickness that you just don't find in her kind everyday. Her top shape alone is something special. She has phenomenal width and expression across her back that starts at the base of her neck and carries all the way back. Check out the massive bone structure under this female and she is sound moving as you could ask for. She has incredible width at her chest and is bold sprung in her upper rib cage, yet balances that package with femininity and extension from her shoulders forward. This heifer would be ideal to raise you some "Brahman" classifying steers. She is a champion maker and the next big thing!
