Description

Lot #2-*9996
Cool Cat

True to her name, this is one cool, cocky painted lady! If you are in the market for an American female that will produce those eye catchers that stand out from the norm, then take notice here! This lady has a huge back on her that starts at the base of her neck and continues clear back with phenomenal width and bulge. She has a super square set to her pins and excellent thickness in her back 1/3. Just look at the bone under this female and she is as sound as can be. She offers a well balanced package complete with the refined, feminine makeup from her shoulders forward.
