**Description**

Lot #12-9287

Tigerstripe

We'll give it to you just plain and simple! This heifer is just built different than her counterparts. She hits us as being one that's constructed to put you in the driver seat of raising some American show calves! She is a massive backed, thick-ended stripe that is bold in her rib. She is a long-bodied, cool fronted heifer that is super sound on her feet and legs. She will work with an exotic or American bull either one. She will pass down her trademark looks and color to make her stand out, show ring-ready offspring!! She handles about like you would expect a half-blood heifer to, a little fast. But she is very manageable, just is going to get nervous hemmed up by herself.

Starting Bid: \$1275
