Price \$3000

Description

Lot 1-22023

Bred Black Motley Face Heifer

It's hard to pick a favorite in tonight's lineup but in our book, this creature is about as close to perfection as they come! She reads with unreal center body mass and dimension! She has tremendous bone structure and you better believe she needs it to support the explosive power and muscle expression she carries from front to back! When you get behind this heifer, the bulge of natural thickness that runs clear through her lower stifle is almost impossible to build in one. For being American influenced, she is super clean and trim along her underline and about her head and neck. She will make a flashy ranching cow but just imagine the club calves this thing could produce as well!!

Starting Bid: \$3000

Confirmed bred 5 months
