Description

Lot 1

Registered Beefmaster Cow & Calf Pair

Check out this sweet little Registered 2 year cow and calf pair that just came into the cattle company! And YES! That's a heifer calf at her side!! She is just about pet gentle and has her whole life ahead of her! Not to mention her chunk little baby is the keeping kind too! The breeder said she had a snake bite last fall that was treated and you can still see she has a little waddle on her neck from it. It's not hurting her but we wanted to be sure and point out its there and just goes with her. The registration transfer is guaranteed.
